Terms and Conditions

1. Cheque / PO with Order please. We will not present your cheque until a week before bulbs are dispatched.
2. All species are subject to availability. We will let you know if we cannot fulfil your Order.
3. The bulbs we sell are guaranteed for quality and are grown from native sources. Should any be damaged or missing please inform us immediately and we will rectify the problem or give a full refund.
4. Our responsibility for the performance of the bulbs is limited to storage and growing conditions; some species may need a year to 'settle in'. We will not be responsible for losses due to circumstances beyond our control.
5. Goods remain the property of Scott's Wildflowers until payment is made in full.
6. An Order placed with us is deemed as acceptance of the above Terms and Conditions.
